

Welcome to the first edition of *CONNECT at Parkview*, a newsletter we will publish quarterly to communicate information of interest to the Parkview family. In this edition we introduce you to upcoming events as well as ongoing ministry opportunities.

In January I encourage you to attend the Missions Conference on January 22nd at 6 p.m. Dr. Tom Eliff, International Mission Board president will be our guest speaker. You will not want to miss this rare opportunity to hear him share his vision for world missions.

February begins with the Men's conference. Guest speaker is Siran Stacy, former NFL and SEC player. Siran has a compelling testimony of the power of God in his life. He will speak in our 11 a.m. service and again at the Men's Steak Lunch following the service.

In March, Dr. David & Teresa Ferguson will lead us in our spring workshop entitled "More than Married". The Youth Ministry will have their Disciple Now retreat one weekend in March as well. Mark your calendars!

It is clear we are living in challenging times. The world we live in is rapidly changing and we need to prepare for the future before us. At Parkview we desire to impact our community by loving God and discipling generations one family at a time. We hope you enjoy this newsletter and that you will connect with the ministry that God has for you at Parkview.

THE ESSENTIAL ONE-HUNDRED BIBLE READING PLAN

WHAT IS THE E100 CHALLENGE?

The Essential 100 Challenge (The E100) is an effective Bible reading program built around 100 carefully selected short Bible passages — 50 from the Old Testament and 50 from the New Testament. It enables people in your church to get the big picture of God's Word and in the process develop a daily Bible reading habit. Most pastors, regardless of their denomination or theological perspective, want their people to read the Bible regularly. The problem is most people get bogged down with traditional through-the-Bible reading plans so they just give up. The E100 Challenge is simple, achievable and creates a contagious enthusiasm for reading the Bible. Our prayer is that God will use your leadership and this program to ignite a Bible reading revival in your church. We have tested The E100 Challenge in hundreds of churches across the country and pastors all tell us the same thing: "The E100 Challenge is the one Bible reading program people actually enjoy and complete." In short...The Challenge works! Based on feedback from pastors, we've designed The E100 Challenge to be flexible. It works with any Bible translation and any time frame.
